Christians Against Poverty (CAP) Australia, is a not-for-profit organisation which has been providing **free** debt counselling and other financial education services to impoverished Australians since 2000. We help anyone, within the catchment area of our centres, who is facing hardship as a result of financial difficulties. To date, we have helped over 2000 families in Australia to repay their debts whilst living a meaningful and fruitful life.

CAP provides a **unique and innovative** debt counselling service which empowers people who are disadvantaged by debt and poverty. We **do not provide financial aid** to our clients, rather, our focus is to help people to **get themselves out of debt and then stay out of debt**. Each client is actively supported and assisted by a caseworker and a volunteer, called a CAP Support Worker. The caseworker helps the client adhere to their budget and the support worker acts as a conduit to a range of other support services that may be required.

We rely on the generosity of individuals, businesses & churches to support our work. Please join with us in raising \$20,000 to continue reaching out to the poor & needy in our society. **Donations over \$2.00 are tax deductible.**

Please note we are encouraging families to participate this year so get in quickly for this life changing event.
